Subject: With a Grateful Heart, Thank You Everyone!!

Dear All,

As I wrap up my last working day in this company, I wanted to take a moment to express my heartfelt gratitude to each one of you for being part of such a meaningful journey.

Every journey is remembered not by the places, but by the people we meet along the way. Whether we worked together for years, collaborated for a few weeks, exchanged ideas in a meeting, or simply shared a conversation, I am grateful for every interaction.

Each person added a different perspective, lesson, or memory that helped shaping my experience.

Thank you for being a chapter in my story.

Wishing everyone success and happiness ahead.

Every company tells a story - and today, I close mine with a grateful heart.

Thanks & Regards,

Namrata Surana
