EDUCATION

B.Tech-CSE

JECRC University, Jaipur

CGPA(Till 5 sem): 9.24

06/2018 - Ongoing

Senior Secondary

Shree Jee Public Sr.Sec. School

XII RBSE: 86.60%

2017 - 2018

Secondary

Shree Jee Public Sr. Sec. School

X RBSE: 95.83%

2015 - 2016

PROJECTS

Chest X-Ray Pneumonia Prediction Model (2020)

- Technology - CNN(Convolutional Neural Network), Keras Library, Python.
- Description - Predicting whether a person is affected from Pneumonia or not.
- We use Neural Network Classification in Keras and got the accuracy of 96%.
- Learning - Team Work, Live Project Handling.

Library Management System (2019)

- Technology - HTML, PHP, MYSQL
- Description - It is a prototype of simple Library Management System, opened using localhost.
- Users can easily register and login to the system. Admin has separate dashboard for management of functions.
- Learning - Actual experience of the functionalities of the system.

CERTIFICATES

- Online Machine Learning Training

Intershalla | June 2020

- Introduction to IOT

Cisco Networking Academy | May 2020

- Basic training on PHP

Vidhya Institute | June 2019

TECHNICAL SKILLS

RELEVANT COURSES

- Data Structure and Algorithm
- DBMS
- Operating System

SOFT SKILLS

- Hardworking
- Detail Oriented
- Courtesy
- Cooperative and Adaptive
- Team Work and Problem solving

CO-CURRICULAR ACTIVITIES

- Volunteered and Participated in Technical Events in JU Rhythm
- Worked as a member of Makerspace Community
- Participated in technical event of LNMIIT
